Shipmates:

This will be the last newsletter you will receive before the next Reunion which is done in conjunction with the SubRon Six Smoke Boat Sisters (SSSBS) group – if you have any questions about this group, please review www.sssbs.org.

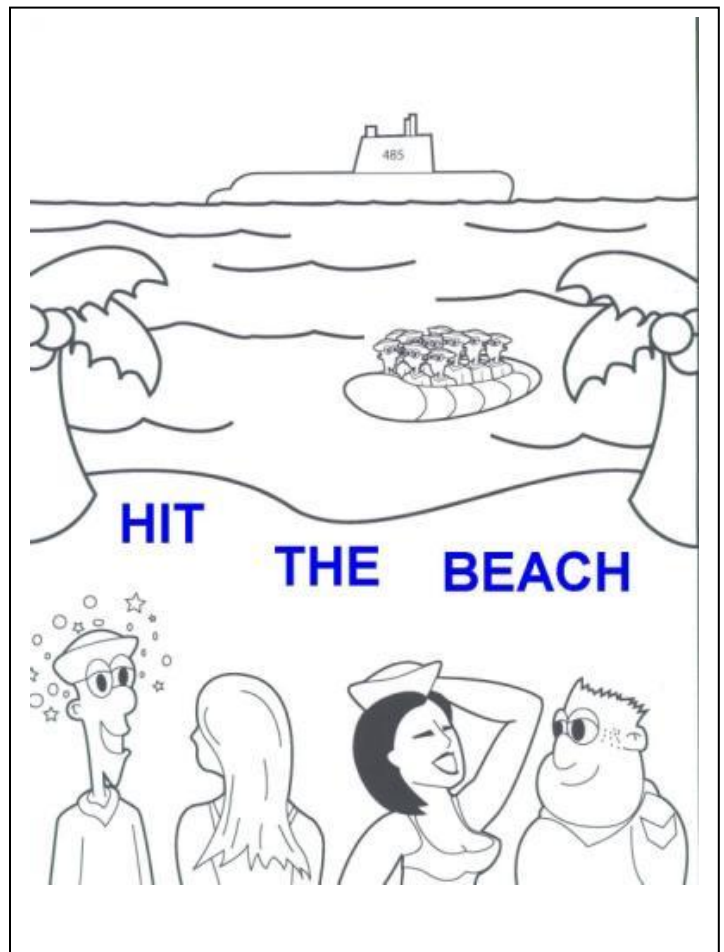

There are two copies of the SIGNUP sheet if you have somehow just failed to sign up for this next reunion and find that you want to join the crowd in VA Beach. At this current writing we have a total of 143 crew members of the various diesel boats that were neighbors at Pier 22 in SubRon Six who indicate they are planning to attend. This number does not include their spouses or guests so it should be a good crowd if everyone comes as expected. At this time, we have 33 of our own Sirago shipmates who have already sent in forms with another 15-20 or so expected soon. If you snooze, you lose. If you have NOT sent in any form yet, then I'd suggest you getting it in pronto as I will be VERY SHORTLY ordering

the hats and shirts and there may not be any for you if you delay.

I want to apologize about the lateness of this newsletter, but I have recently had a computer crash and have also been traveling Israel and Jordan and this put me a bit behind the curve, but everything is up-to-date right now and it will be a very good time to have our old Diesel Squadron coming together for yet another beach party and celebration of these old war horses.
