From Rich McCamant – Admin Officer:

Well, Reunion 2005 is history and Reunion 2007 will be here before you know it (Mobile, Memorial Day weekend). It's time to get serious about locating our remaining lost shipmates. There are still 110 out there to be found and your Search & Rescue Department will not rest until all have been accounted for. (No Sailor Left Behind).

Any information, however trivial it may seem to you will be greatly appreciated and acted on immediately. A list of those missing is included with dates and rank on the boat. You can get it to me any way you can. Phone (410) 820-5225, email is: mccamant@dmv.com, or mail it to 10225 Ocean Gateway, Easton, MD 21601.

- 6164 - 26
- 6568 - 23
